Press release

The International Conference of the World Federation of the Deaf will take place in Budapest

Röthenbach, May 30th 2017 – The invitation film of the host SINOSZ, the Hungarian Association of the Deaf and Hard of Hearing, is now available on www.deafservice.de.

The 3rd International Conference of the WFD (World Federation of the Deaf) takes place this year in the Hungarian capital Budapest.

With a short city tour the hosts warmly invite all interested parties. In a short film they present famous monuments and sights of this beautiful city, such as the Heroes' Square, the Chain Bridge and the Buda Castle. All information is presented in sign language, in addition, the film is also subtitled.

This spot has been designed just as barrier-free accessible as the conference will be in November. The spot was produced by the Hungarian Deaf Association SINOSZ. It is now available on the portal www.deafservice.de.

The privately funded website www.deafservice.de is an important information portal for independent and barrier-free living for the hearing impaired in Germany.
